Outboards, Gas Sterndrives, Inboards

Financing offer available through Medallion Bank and administered by Brunswick Financial Services Corporation, a wholly owned subsidiary of Brunswick Corporation. Financing available on select new and consumer unregistered Mercury outboard engines, fully dressed gas sterndrive and inboard engines only or complete engine packages in dealer inventory used for repower applications and purchased solely for recreational use. Engine must be combined with the financed engine package ("Engines"). Subject to credit approval. Not all buyers will qualify. Higher rates apply for buyers with lower credit rating. Financing with rates as low as 8.99% APR and terms from 60 to 144 months is available. For example, if the loan were for \$13,500 for 120 months at 8.99%, the regular monthly payment would be \$170.94 based on a down payment of \$1,500. Financing terms subject to change without notice. Approval, and any rates and terms provided, are based on credit worthiness. Buyers who do not qualify for this offer can apply for other financing also available from Medallion Bank. Financing is available to residents residing in the United States, except in the states of Montana and West Virginia. Financing applies to Engines purchased and registered at an authorized, participating Mercury Marine dealer. All Pacemaker, Mercury Racing, Government, previously registered engines, donations as well as engines sold for commercial, camp or resort applications and sales/registrations outside the United States are excluded. Engines originally sold to a Boatbuilder are also excluded. Engines on the Angling or Sponsorship program do not qualify. Minimum amount financed is \$5,000, maximum amount financed is \$50,000 and minimum down payment is 10%. Financing can be applied to the entire Engine package purchased at time of the Engine sale (e.g. engine, transmission, transom assembly, drive, controls, steering, rigging, accessories and labor). See your local authorized, participating Mercury dealer for details or contact Brunswick Financial Services Corporation by calling 844.MERCPWR (637.2797) or emailing mercpwr@mercmarine.com to confirm applicable rates, terms and Engine models. Dealer sets actual sale prices. Terms and conditions apply. Financing may not be assigned, traded, sold or combined with any other offer unless expressly stated herein.
